The Ministry of Corporate Affairs has taken a “**Green Initiative in the Corporate Governance**“ by allowing paperless compliances by the companies and has issued circulars stating that service of notice/ documents including Annual Reports can be sent by e-mail to its members. To support this green initiative of the Government in full measure, members who have not registered their e-mail addresses, so far, are requested to register their e-mail address, in respect of electronic holdings with the Depository through their concerned Depository Participants. Members who hold shares in physical form are requested to get their e-mail address registered with Link Cameo Corporate Service Limited, RTA of the Company.

CHAIRMAN MESSAGE

My Dear Fellow Members,

It gives me immense pleasure to communicate with you the 14th Annual Report of the Company.

In the Financial year 2021-22 your company completed its 14 successful years, and this success would not have been possible without the unstinted support and cooperation of all stakeholders and our satisfied customers.

The aim is to recognize our accomplishments during the Financial Year 2021-22 and to share with you our outlook and plans for the future. I am gratified with the continued growth of market share in the arena of “Agricultural Equipments” and “Hospitality Services” and “FMCG Products”. I am more excited about the pace and scale of execution that our Company is undertaking to fulfil our unwavering aim of creating long term shareholder value and also delighted to inform you that our company has also entered into arena of “Mining Sector” for exploring new opportunities.

We remained robust and resilient in an ever-changing and challenging business environment, and stayed focused on our legacy of contributing to the growth of the country by delivering value to our shareholders. DEBOCK, the business recorded its decent performance during the year with slight decrease in revenue, however registered profit as against loss during preceding financial year. Product quality and innovation continue to be a key differentiator. Excellence comes from our superlative quality in all products. Our excellence also comes from stringent quality control processes and manufacturing and operations, which have enabled us to set new standards for quality.

I feel pleasure to share an update of your Company's performance for 2021-22, a year of decent achievements wherein we continued to demonstrate our proficiency and determination in achieving operational excellence and financial soundness. This performance was possible due to effective cost management of business, better price realization and aggressive marketing.

The performance of the company in FY 2021-22 turned positive in terms of profit. The Company registered profit this year due to lower purchase of stock and lesser finance expenses as compared to previous year:

Our total revenue for the year 2021-22 is Rs. 9736.69/- Lacs as compared to the previous year 2020-21 of Rs. 3077.98/- Lacs

Our Profit after tax for the year 2021-22 is Rs. 672.60/- Lacs as compared to the previous year 2020-21 profit of Rs. 212.71/- Lacs

I strongly feel that focus will lead to depth, and depth will lead to excellence. I continue to act as the Chairman of the Board, mentoring and advising the Board for your Company's strategy and future road map, ensuring highest levels of corporate governance at all times.

The business environment around us continues to remain challenging and competitive, and is likely to remain the same. With our diversified product line, passionate employees and your undying support, I am confident that we will continue to deliver growth that is consistent, competitive, profitable and responsible. I would like to thank all our stakeholders, for accompanying us on the exciting journey ahead. We will continuously seek and strive to do good, act better, and do what is best for us and society at large.

Before I conclude, I am thankful to all our Stakeholders, our Bankers, our Investors, our vendors and most importantly our customers for their trust and faith and looking forward to your continued support and best wishes.

Thank you,

Sd/-

Mukesh Manveer Singh

NOTES:

1. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013, with respect to the Special Businesses asset out in Item No. 4-5 are annexed hereto and pursuant to Regulation 36 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulation”). Additional Information, pursuant to Para1.2.5 of SS-2 (“Secretarial Standard on General Meetings”) and Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 in respect of re-appointment of Mr. Mukesh Manveer Singh (DIN: 01765408) as Director, who retires by rotation in the 14th Annual General Meeting are made part of their respective explanatory statements.
2. **PURSUANT TO THE PROVISIONS OF THE ACT, A MEMBER ENTITLED TO ATTEND AND VOTE AT THE AGM IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE INSTEAD OF HIMSELF/HERSELF AND THE PROXY NEED NOT BE A MEMBER OF THE COMPANY.**
3. The notice of Annual General Meeting will be sent to the members, whose names appear in the register of members / depositories as at closing hours of business, on 05/09/2022.
4. The attendance of the Shareholders attending the AGM physically will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013
5. SEBI encourages all shareholders to hold their shares in dematerialized form as this eliminates the possibility of damage/loss of physical share certificate(s) & cases of forgery and facilitates the ease and convenience of paperless trading of shares. Further, no stamp duty is payable on transfer of shares held in Demat form. It is also pertinent to mention that with effect from April 01, 2019, SEBI has prescribed that requests for effecting transfer of securities (except transmission or transposition cases) shall not be processed unless the securities are held in the dematerialized form with a depository. Accordingly, we request you to convert your shareholdings from physical form to demat form at the earliest, in existing demat account or new demat account to be opened with any Depository Participant.
6. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore requested to submit the PAN to their Depository Participant(s) with whom they are maintaining their Demat accounts. Members holding shares in physical form can submit their PAN details to the Company/Registrar and Transfer Agents.
7. The Securities and Exchange Board of India (SEBI) vide its Circular No. CIR/MRD/DP/10/2013 dated March 21, 2013 has mandated all Companies to use approved electronic mode of payment for making cash payments such as dividend to the Members (where core banking details are available) or to print the bank account details of the Members (as per the Company’s records) on the physical payment instruments (in case where the core banking details are not available or electronic

payment instructions have failed or rejected by the Bank).

8. Hence, the Members are requested to furnish/update their bank account name & branch, bank account number and account type along with other core banking details such as MICR (Magnetic Ink Character Recognition), IFSC (Indian Financial System Code) etc. at the earliest with:
9. The respective Depository Participants (DP) (in case of the shares held in Electronic Mode) or;
10. The Registrar & Share Transfer Agent of the Company (R&T Agent) (in case of the shares held in Physical form).
11. Members holding shares in Demat mode may kindly note that any request for change of address or change of E-mail ID or change in bank particulars/mandates or registration of nomination are to be instructed to their Depository Participant only, as the Company or its Registrar & Share Transfer Agent cannot act on any such request received directly from the Members holding shares in Demat mode. However, Members holding shares in physical mode are requested to notify the Registrar & Share Transfer Agent of the Company of any change in their address and e-mail id as soon as possible.
12. Members can raise questions during the meeting or in advance at cs@debockgroup.com. The members are requested to write to the Company on or before 20/09/2022, (7 days earlier to AGM) through Email on cs@debockgroup.com. However, it is requested to raise the queries precisely and in short at the time of meeting to enable to answer the same.
13. Corporate members are requested to send at cameo@cameoindia.com and cs@debockgroup.com in before e-voting/attending annual general meeting, a duly certified copy of the Board Resolution authorizing their representative to attend and vote at the Annual General Meeting, pursuant to Sec 113 of the Companies Act, 2013.
14. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
15. Note for Institutional Shareholders:
 - Institutional shareholders (i.e. other than Individuals, HUF, NRI etc.) are required to log on to <https://www.evotingindia.com> and register themselves as Corporates.
16. A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com
17. After receiving the login details they have to create a compliance user using the admin login and password. The Compliance user would be able to link the account(s) for which they wish to vote on.

18. The list of accounts should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
19. A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
20. Shareholders can also cast their vote using CDSL's mobile app m-Voting available for android based mobiles. The m-Voting app can be downloaded from Google Play Store. iPhone and Windows phone users can download the app from the App Store and the Windows Phone Store respectively. 39. Pursuant to Section 108 of Companies Act, 2013 read with rules made there under and Regulation 44 of the SEBI (LODR) Regulations, 2015, the Company is providing evoting facility to its Members

to exercise their votes electronically on the item of business given in the Notice through the electronic voting service facility provided by CDSL.

40. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM/EGM has been uploaded on the website of the Company at www.debockgroup.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. National Stock Exchange of India Limited at www.nseindia.com respectively. The AGM/EGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM/EGM) i.e. www.evotingindia.com

THE INSTRUCTIONS FOR SHAREHOLDERS VOTING ELECTRONICALLY ARE AS UNDER:

41. The voting period begins on 24th September, 2022 at 09:00 A.M. and ends on 27th September, 2022 at 05.00 P.M. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 20/09/2022 may cast their vote electronically and that a person who is not a member as on the cut-off date should treat this notice for information purposes only. The e-voting module shall be disabled by CDSL for voting thereafter. Those Members, who will be present in the AGM through VC / OAVM facility and have not cast their vote on the Resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through e-voting system during the AGM.
42. The Members who have cast their vote by remote e-voting prior to the AGM may also attend/participate in the AGM through VC / OAVM but shall not be entitled to cast their vote again.
43. The voting rights of Members shall be in proportion to their shares in the paid-up equity share capital of the Company as on the cut-off date as on **Tuesday, 20th September, 2022 (Cut-off date)**.
44. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.
45. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.
46. In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login

credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

47. In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

48. Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in Demat mode with CDSL	<ul style="list-style-type: none"> • Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. ANNEXURE “A” TO THE DIRECTOR’S REPORT

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

BUSINESS OVERVIEW

Incorporated in 2008, Our Company Debock Industries Limited (Formerly known as Debock Sales and Marketing Limited) is Company engaged in the business of manufacturing of agricultural equipment. We are manufacturer and suppliers of range of agricultural equipment mainly Tractor Trolley, Agricultural Thresher, Mould Board Ploughs, Mounted Disc Ploughs, Tillers, Tanker, Combine Machine, Seed Drill Machine, Mounted Disc Harrows, Tractor Cultivators, Chaff Cutters etc. Our Company is also engaged in the hospitality services. Keeping in consideration the future concept of tourism in Rajasthan particularly in Deoli district area where there is no better option of hotels are available Company decided to commence its business in hospitality services by opening a class hotel (Hotel Debock Inn) in July 2015 at Deoli in Tonk District on NH -12 in July 2015. In this regard the Company entered into a MOU with Rajasthan Government. Our manufacturing facilities are located at Panwad Mod, NH-12, Gopipura Post, Deoli, Tonk Rajasthan and are well equipped with required facilities to facilitate smooth manufacturing process. We endeavor to maintain safety in our premises by adhering to key safety norms. Our manufacturing process is completely integrated from procurement of raw materials and final testing for direct use of our customers. Our Promoter, Mukesh Manveer Singh has around 20 Years of experience respectively in the Business of Real Estate Development, Hotels, Townships, manufacturing of Agriculture equipment and C&F agent of ACE Brand Tractors for Rajasthan.

The single largest contributing Sector to the Indian Economy is the Agriculture. It alone accounts for up to 16% of the Indian GDP. GST was supposed to have more of a greater indirect impact on the Agriculture Sector. GST was supposed to bring about a paradigm shift in the transportation industry. Slow and plagued transportation was a major reason for inappropriate distribution of agricultural products as well as their cost. GST was touted to create a unified and first of its kind National Market for the agricultural products. The impact of GST on agricultural sector is foreseen to be positive. GST is essential to improve the transparency, reliability, timeline of supply chain mechanism.

Under the Goods and Service Tax, the hospitality sector stands to reap the benefits of standardized and uniform tax rates, and easy and better utilization of input tax credit. The Indian hospitality and tourism industry, which was pegged at US\$ 136.2 billion at the end of 2016, is one of the sectors which will see major changes post-July. The Tourism and Hospitality industry in India is expected to grow to US\$ 280.5 billion by 2026, and the initial hiccups after GST implementation are highly unlikely to impede this growth.

Also, the Rajasthan is the biggest source of various metals, minerals, stones and other such valuable items which have huge demand not only in the country but also outside India in Foreign markets. Seeing the tremendous growth seeking new opportunities, the Company entered in to the business of Mining & Quarrying and thus acquires mining land near Kekri in Ajmer District for mining of Granite, Marble and other stones.

Our Strengths:

- Strong Presence in Jaipur.
- Well-known Brand Image and reputation.
- Focus on Quality Products.
- Well qualified and Experienced Management team.
- Cordial relationship between management and labour.

Factors affecting our results of operations:

Our Company's future results of operations could be affected potentially by the following factors:

- Company's ability to successfully implement our growth strategy;
- Changes in technology;
- Political Stability of the Country;
- Investment Flow in the country from the other countries;
- Competition from other players;
- Changes in law and laws and regulations;
- General economic and business condition;

Internal Financial Control Systems and Their Adequacy

The Companies Act, 2013 re-emphasizes the need for an effective Internal Financial Control system in the Company. The system should be designed and operated effectively. Rule 8(5)(viii) of Companies (Accounts) Rules, 2014 requires the information regarding adequacy of Internal Financial Controls with reference to the financial statements to be disclosed in the Board's report.

The Company's internal control system is commensurate with the nature, size and complexities of operations. Adequate records and documents are maintained as required by laws. The company has established well defined policies and processes across the organization covering the major activities. The Company's audit Committee reviewed the internal control system on an ongoing basis keeping in mind the growth prospects and ever evolving business environment. Audit committee reviews proper implementation of corrective measures. All efforts are being made to make the internal control systems more effective.

To ensure effective Internal Financial Controls the Company has laid down the following measures:

- All legal and statutory compliances are ensured on a monthly basis. Non-compliance, if any, is seriously taken by the management and corrective actions are taken immediately. Any amendment is regularly updated by internal as well as external agencies in the system.
- Approval of all transactions is ensured through a pre-approved Delegation of Authority Schedule which is reviewed periodically by the management.
- The Company follows a robust internal audit process. Transaction audits are conducted regularly to ensure accuracy of financial reporting, safeguard and protection of all the assets. Fixed Asset verification of assets is done on an annual basis.

Discussions on Financial Performance Vis-À-Vis Operational Performance

Financial performance of the Company has been good and your company is doing well on fulfilling its objectives of growth, profitability and maximization of shareholders wealth. Revenue from operations increased by 216.33% on y-o-y basis in FY 2021-22 as compared to FY 2020-21. Our margins and performance were remarkable due to increase in prices of final products of the Company and we maintain high cost cutting.. The Company recorded a Net Profit of Rs. 673.03 Lacs in FY 2021-22 on y-o-y basis as compared to profit of Rs. 212.04 Lacs in FY 2020-21, despite a relatively sluggish industry growth, primarily on account of improved cost efficiencies. Earnings per Share (EPS) stood at Rs. 2.90 for FY 2021-22.

Risks and Concerns

Every business has both Risk and Return and they are inseparable. As a responsible management, the Company's principal endeavor is to maximize returns. 7. DISCLOSURES

➤ RELATED PARTY TRANSACTIONS

All material transactions entered into with related parties as defined under the Act and Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 during the financial year were in the ordinary course of business and on Arm's length basis.

The Audit Committee, during the financial year 2021-22, has approved Related Party Transactions along with granting omnibus approval in line with the Policy of dealing with and materiality of Related Party Transactions and the applicable provisions of the Companies Act, 2013 read with the Rules issued thereunder and the Listing Regulations (including any statutory modification(s) or re-enactment(s) thereof for the time being in force). The related party transactions entered into by the Company pursuant to the omnibus approval granted by the Audit Committee is reviewed at least on a quarterly basis by the said Committee.

The details of the Related Party Transactions are set out in the Notes to Financial Statements forming part of this Annual Report.

The Company does not have any material-related party transactions, which may have potential conflict with its interests at large. In any case, disclosures regarding the transactions with related parties are given in the notes to the Accounts of financial statements.

Policy for related party transactions is uploaded on the Company's website at the following link: <https://debockgroup.com/corporate-governance>

➤ Vigil Mechanism and Whistle Blower Policy:

The Company has adopted a whistle blower policy and has established the necessary vigil mechanism for employees and directors to report concerns about unethical behavior. No person has been denied access to the chairman of the audit committee. The policy has been put up on the website of the Company at the following link: <https://debockgroup.com/corporate-governance>

The Company has complied all the regulations from 17 to 27 and clauses (b) to (i) of sub regulation (2) of regulation 46 of the SEBI (LODR) Regulations, 2015, during the year 2021-22 and complied all the mandatory requirements of the Listing Regulations. There are no instances of non-compliance of Corporate Governance Report as mentioned in sub-paras (2) to (10) of Para (C) of Schedule V. The Company has complied all the mandatory requirements of the Listing Regulations.

➤ **Subsidiary Companies**

The Company has no subsidiary Company.

➤ **Commodity price risk or foreign exchange risk and hedging activities;**

The Company's revenue is exposed to the market risk of price fluctuations in its division is as under:

Packaging Division: the company is exposed to risk of prices of goods. These prices may be influenced by factors such as supply and demand, Cost of Production and regional economic conditions and Environment policies.

Hotel Division: the company is exposed to risk of prices/ rates of Rooms. These prices may be influenced by factors such as supply and demand i.e. inflow of tourist and the seasonal effects, and regional economic conditions.

Market forces generally determine prices for the Real Estate Division and Packaging Division of the Company Adverse changes in any of these factors may reduce the revenue that the Company earns from the sale of its products.

The Company primarily purchases its raw materials in the open market from third parties. The Company is therefore subject to fluctuations in prices for the purchase of Building Material and other raw material inputs. The Company purchases substantially all of its Raw Material from third parties in the open market.

The Company aims to sell the products at prevailing market prices. Similarly, the Company procures raw material on prevailing market rates as the selling prices of its products and the prices of input raw materials move in the same direction.

The Company's functional currency is Indian Rupees (INR). The Company undertakes transactions denominated in foreign currencies; consequently, exposure to exchange rate fluctuations arise. Volatility in exchange rates affects the Company's revenue from export markets and the costs of imports, primarily in relation to raw materials. The Company is exposed to exchange rate risk under its trade and debtors portfolio.

Adverse movements in the exchange rate between the Rupee and any relevant foreign currency result's in increase in the Company's overall debt position in Rupee terms without the Company having incurred additional debt and favorable movements in the exchange rates will conversely result in reduction in the Company's receivables In foreign currency.

- During the Financial Year 2021-22, Amount of Rs. 30,00,00,000 were raised through preferential allotment through allotment of 3,00,00,000 Convertible Warrants into Equity with Face Value of Rs. 10/- each by way of Preferential Allotment.

Independent Auditor's Report

To the Members of
Debock Industries Limited
(Formerly known as Debock Sales & Marketing Limited)

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Debock Industries Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter
1	<p>Revenue Recognition (refer Note. 1 related to Revenue)</p> <p>We focused on this area as a key audit matter due to the risk of incorrect timing of revenue recognition and estimation related to recording the discount and rebates. According to the financial statement' accounting principles revenue is recognized at a point in time when the control of the goods is transferred to the customer according to delivery terms. Due to variation of contractual sales terms and practices across the market and the pressure, the management may feel to achieve performance targets, there is a risk of material error.</p> <p>Auditor's Response To address this risk of material misstatement relating to revenue recognition, our audit procedures included:</p> <ul style="list-style-type: none"> - Assessing the compliance of company's revenue recognition policies with applicable accounting standards, including those related to discounts and rebates. - Assessing the revenue recognition processes on showroom and online sales. - Assessing the adequacy of relevant disclosures.
2	<p>Inventory valuation (refer Note. 1 related to inventories)</p> <p>Inventory were considered as a Key audit matter due to the size of the balance and because inventory valuation involves management judgement. According to company's accounting policies inventories are measured at the lower of cost or net realizable value.</p> <p>Auditor's Response To address the risk for material error on inventories, our audit procedures included amongst other:</p> <ul style="list-style-type: none"> - Assessing the compliance of company's accounting policies over inventory with applicable accounting standards. - Assessing the Inventory valuation processes on showroom. <p>Assessing the analyses and assessment made by management with respect to slow moving stock.</p>

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are

considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced.

We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1) As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

**Annexure “A” to the Independent
Auditor’s Report**

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Debock Industries Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Debock Industries Limited** (“the Company”) as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 1 Corporate information

Debock Industries Limited (formerly known as Debock Sales & Marketing Limited) is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The company is engaged in manufacturing and trading activities related to Agriculture Products. The Company got listed with NSE Limited on SME platform on June 05, 2018 and migrated to Main-board of the NSE on March 31, 2022.

Note 2 Basis of preparation**a) Statement of compliance:**

These financial statements have been prepared on a going concern basis following the accrual basis of accounting in accordance with the Generally accepted Accounting Principles (GAAP) in India (Indian Accounting standards referred to as "IndAS") as specified under the section 133 of the Companies Act, 2013 read with Rule 3 of Companies (Indian Accounting Standard) Rules, 2015 and relevant amendments rules issued thereafter.

These financial statements are the Company's first Ind AS financial statements and are covered by Ind AS 101, First time adoption of Indian Accounting Standards (Ind AS 101). The transition to Ind AS has been carried out from the accounting principles generally accepted in India ("Indian GAAP") which is considered as the "Previous GAAP" for the purpose of Ind AS 101. Under previous GAAP financial statements were prepared in accordance with the Accounting Standards notified under section 133 of the Act read together with paragraph 7 of the Companies (Accounts) Rules, 2014 ("Indian GAAP") and other relevant provisions of the Act as applicable.

b) Basis of measurement:

The financial statements have been prepared on a historical cost convention, except for certain financial assets and financial liabilities that are measured at fair value as required under relevant Ind AS.

c) Significant accounting judgements, estimates and assumptions

The preparation of the company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

d) Critical accounting estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the company. Such

changes are reflected in the assumptions when they occur

i. Taxes

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

ii. Employee benefit plans

The cost of the defined benefit gratuity plan, other post-employment benefits and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

iii. Contingencies

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company, including legal, contractor and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgement and the use of estimates regarding the outcome of future events.

iv. Property Plant and Equipment

Useful lives and residual values are determined by the management at the time the asset is acquired and reviewed at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technical or commercial obsolescence arising from changes or improvements in production or from a change in market demand of the product or service output of the asset.

3 Significant Accounting Policies

3.1 Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- ▶ Expected to be realised or intended to be sold or consumed in normal operating cycle
- ▶ Held primarily for the purpose of trading
- ▶ Expected to be realised within twelve months after the reporting period, or
- ▶ Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- ▶ It is expected to be settled in normal operating cycle
- ▶ It is held primarily for the purpose of trading
- ▶ It is due to be settled within twelve months after the reporting period, or
- ▶ There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

3.2 Property, Plant & Equipments

Recognition and initial measurement

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company.

All other repair and maintenance costs are recognized in statement of profit or loss as incurred.

Subsequent measurement (depreciation and useful lives)

Property, plant and equipment are subsequently measured at cost less accumulated depreciation and impairment losses, if any.

Depreciation on property, plant and equipment has been provided using written down value method using rates determined based on management's assessment of useful economic lives of the asset.

Followings are the estimated useful lives of various category of assets used which are aligned with useful lives defined in schedule II of Companies Act,2013 :

Office Building	60 Years
Residential Building (i.e. Hotel)	30 Years
Furniture & Fixture	10 Years
Vehicles (Four Wheeler)	8 Years
Vehicles (Two Wheeler)	10 Years
Office Equipment	5 Years
Computers & Mobiles	3 Years
Truck & Trailors	8 Years

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Amortisation of assets

The Company has amortised the cost of developing Marriage Garden and office space for renting, the same has been included in the Depreciation and amortisation cost.

Derecognition:

An item of property, plant and equipment and any significant part initially recognized is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the statement of profit and loss, when the asset is de-recognized.

Capital work-in-progress (CWIP)

Cost of property, plant and equipment not ready for use as at the reporting date are disclosed as capital work-in progress.

Investment property

Property that is held for long term rental yield or for capital appreciation or both, and that is not occupied by the Company, is classified as Investment property. Investment properties measured initially at cost including related transitions cost and where applicable borrowing cost. Subsequent expenditure is capitalised to the assets carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the entity and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is incurred the carrying amount of replaced part is derecognised.

Investment properties other than land are depreciated using SLM method over the estimated useful life of assets prescribed by the Schedule II to the Companies Act 2013 i.e. 30 years for office premises. Investment properties include:

- i. Land
- ii. Residential Building

3.3 Impairment of non-financial assets

At each reporting date, the Company reviews the carrying amounts of its non-financial assets to determine whether there is any indication of impairment. If any such indication of impairment exists, then the asset's recoverable amount is estimated. For impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or cash generating units (CGUs).

The recoverable amount of an asset or CGU is the greater of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU. An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the Statement of Profit and Loss.

An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

3.4 Provisions, Contingent Liabilities And Contingent Assets

Provisions:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

When the Company expects some or all of a provision to be reimbursed, reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost in respective expense.

Contingent Liabilities and Contingent Assets

Contingent liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

3.5 Income tax

Current Tax:

Provision for current tax is made as per the provisions of the Income Tax Act, 1961.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are

recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax:

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Minimum Alternative Tax ('MAT') credit entitlement under the provisions of the Income-tax Act, 1961 is recognised as a deferred tax asset when it is probable that future economic benefit associated with it in the form of adjustment of future income tax liability, will flow to the Company and the asset can be measured reliably. MAT credit entitlement is set off to the extent allowed in the year in which the Company becomes liable to pay income taxes at the enacted tax rates. MAT credit entitlement is reviewed at each reporting date and is recognised to the extent that is probable that future taxable profits will be available against which they can be used. MAT credit entitlement has been presented as deferred tax asset in Balance Sheet. Significant management judgement is required to determine the probability of recognition of MAT credit entitlement.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxation authority.

3.6 Employee Benefits

Short-term Employee Benefits:

Employee benefit liabilities such as salaries, wages and bonus, etc. that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at an undiscounted amount expected to be paid when the liabilities are settled.

Post-employment benefit plans:

Defined Contribution Plans:

State governed Provident Fund Scheme and Employees State Insurance Scheme are defined contribution plans. The contribution paid / payable under the schemes is recognised during the period in which the employees render the related services.

Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's gratuity scheme is a defined benefit plan. Currently, the Company's gratuity scheme is unfunded. The Company recognises the defined benefit liability in Balance sheet. The present value of the obligation under such defined benefit plan and the related current service cost and, where applicable past service cost are determined based on an actuarial valuation done using the Projected Unit Credit Method by an independent actuary, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligations are measured at the present value of the estimated future cash flows.

Re-measurements, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) is reflected immediately in Other Comprehensive Income in the Statement of Profit and loss. All other expenses related to defined benefit plans are recognised in Statement of Profit and Loss as employee benefit expenses. Re-measurements recognised in Other Comprehensive Income will not be reclassified to Statement of Profit and Loss hence it is treated as part of retained earnings in the Statement of Changes in Equity.

3.7 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ▶ In the principal market for the asset or liability, or
- ▶ In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible to/ by the Company.

Fair value hierarchy

All financial instruments for which fair value is recognised or disclosed are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole;

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: valuation techniques for which the lowest level input that has a significant effect on the fair value measurement are observable, either directly or indirectly.

Level 3: valuation techniques for which the lowest level input which has a significant effect on the fair value measurement is not based on observable market data.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

3.8 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- ▶ **Debt instruments at amortised cost** - The Company has cash & cash equivalents, loans and trade receivables classified within this category.
- ▶ **Debt instruments at fair value through other comprehensive income (FVTOCI)** - The Company does not have any financial asset classified in this category.
- ▶ **Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)** - The Company does not have any financial asset classified in this category.

► **Equity instruments measured at fair value through other comprehensive income (FVTOCI)** - The Company does not have any financial asset classified in this category.

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR.

The EIR amortisation and losses arising from impairment are recognised in the Statement of Profit & Loss. The amortised cost of the financial asset is also adjusted for loss allowance, if any.

Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). Company has not designated any such debt instrument as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit & Loss.

Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset. Any gain or loss on derecognition is recognised in the Statement of Profit and Loss.

Impairment of financial assets

In accordance with Ind AS 109, the company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

Financial assets that are debt instruments, and are measured at amortised cost e. g. Loans and trade receivables.

The company follows 'simplified approach' for recognition of impairment loss allowance on Trade receivables that do not contain a significant financing component.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

b) Financial liabilities

Initial recognition and measurement

All financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

All financial liabilities are initially measured at fair value deducted by, in the case of financial liabilities not recorded at fair value through profit or loss, transaction costs that are attributable to the liability.

Subsequent measurement

Financial liabilities are classified as measured at amortised cost using the effective interest method. The Company's financial liabilities include trade payables, borrowings and other financial liabilities.

Under the effective interest method, the future cash payments are exactly discounted to the initial recognition value using the effective interest rate. The cumulative amortization using the effective interest method of the difference between the initial recognition amount and the maturity amount is added to the initial recognition value (net of principal repayments, if any) of the financial liability over the relevant period of the financial liability to arrive at the amortized cost at each reporting date. The corresponding effect of the amortization under effective interest method is recognized as expense over the relevant period of the financial liability in the Statement of Profit and Loss.

Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the Derecognition of the original liability and the recognition of a new liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid is recognized in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount presented in the Balance Sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

3.9 Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

3.10 Revenue Recognition

Revenue from sale of products is recognised when control of the products has transferred, being when the products are delivered to the customer. Delivery occurs when the products have been shipped or delivered to the specific location as the case may be, the risks of loss has been transferred, and either the customer has accepted the products in accordance with the sales contract, or the Company has objective evidence that all criteria for acceptance have been satisfied. Sale of products include related ancillary services, if any.

Goods are often sold with volume discounts based on aggregate sales over a 12 months period. Revenue from these sales is recognised based on the price specified in the contract, net of the estimated volume discounts.

Revenue is only recognised to the extent that it is highly probable that a significant reversal will not occur. A liability is recognised for expected volume discounts payable to customers in relation to sales made until the end of the reporting period. Any obligation to provide a refund is recognised as a provision. A receivable is recognised when the goods are delivered as this is the point in time that the consideration is unconditional because only the passage of time is required before the payment is due.

Interest income

Interest income on financial asset is recognised using the effective interest rate (EIR) method.

3.11 Earnings Per Share

Basic earnings per share is computed using the net profit for the year attributable to the shareholders' and weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed using the net profit for the year attributable to the shareholders' and weighted average number of equity shares.

3.12 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

3.13 Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalised as part of the cost of such assets up to the assets are substantially ready for their intended use. The loan origination costs directly attributable to the acquisition of borrowings (e.g. loan processing fee, upfront fee) are amortised in the year in which they occur

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred.

3.14 Transition to Ind AS

As stated in note 2(a), the Company's financial statements for the year ended March 31, 2022 are the first annual financial statements prepared in compliance with Ind AS.

The adoption of Ind AS was carried out in accordance with Ind AS 101, using April 01, 2020 as the transition date. Ind AS 101 requires that all Ind AS standards that are effective for the first Ind AS Financial Statements for the year ended March 31, 2022, be applied consistently and retrospectively for all fiscal years presented.

All applicable Ind AS have been applied consistently and retrospectively wherever required. The resulting difference between the carrying amounts of the assets and liabilities in the financial statements under both Ind AS and previous GAAP as of the Transition Date have been recognised directly in equity at the Transition Date.

In preparing these financial statements, the Company has availed certain exemptions and exceptions in accordance with Ind AS 101 as explained below:

(i) Exemptions from retrospective application:

- The Company has elected to apply the exemption available under Ind AS 101 to continue the carrying value of all of its property, plant and equipment and intangible assets as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition (April 01, 2020)

There were no transfers between Level 1 and Level 2 fair value measurements, and no transfers into and out of Level 3 fair value measurements.

The carrying amounts of trade receivables, trade payables, cash and cash equivalents and other bank balances are considered to be the same as their fair values, due to their short-term nature.

The fair values of borrowings are based on discounted cash flows using a borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

Financial risk management objectives and policies

The Company's principal financial liabilities comprise borrowings, security deposits, trade and other payables, etc. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade receivable, security deposit, cash and cash equivalents, etc. that derive directly from its operations. The Company also holds investments in the shares of its subsidiary measured at amortised cost.

The Company is exposed to market risk, credit risk and liquidity risk. The management oversees the management of these risks. The management is responsible for formulating an appropriate financial risk governance framework for the Company and periodically reviewing the same. The management ensures that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The management reviews and agrees policies for managing each of these risks, which are summarised below.

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: interest rate risk, foreign currency risk and Equity price risk.

(i) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Since the Company has borrowings, therefore Company is exposed to such risk.

(ii) Foreign Currency Risk

The Indian Rupee is the Company's most significant currency. As a consequence, the Company's results are presented in Indian Rupee and exposures are managed against Indian Rupee accordingly. So, the Company is exposed to such risk.

(iii) Equity Price Risk

The Company's investment in shares are susceptible to market price risk arising from uncertainties about future values of the investment securities. The Company manages the price risk through diversification and by placing limits on individual and total instruments. Reports on the portfolio are submitted to the management on a regular basis.

Credit Risk

The maximum exposure to credit risks is represented by the total carrying amount of these financial assets in the balance sheet

Particulars	As at 31st March 2022	As at 31st March 2021	As at 1st April 2020
--------------------	--------------------------------------	--------------------------------------	---------------------------------

Trade receivables	942.41	2070.18	4119.81
Other financial assets	-	1.18	-

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations.

Credit risk arises mainly from loans, trade receivables and financial assets. The Company maintains a defined credit policy and monitors the exposures to these credit risks on an ongoing basis. None of the trade receivables are credit impaired as on reporting date.

On adoption of Ind AS 109, the Company uses expected credit loss model to assess the impairment loss or gain. Based on internal assessment which is driven by the historical experience/ current facts available in relation to default and delays in collection thereof, the expected credit loss for trade receivables is not significant.

The carrying amount of financial assets represents the maximum credit exposure. The Company monitors credit risk very closely both in domestic and export market. The Management impact analysis shows credit risk and impact assessment as low.

Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are fallen due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.
